SUBJECT: EGYPT TO STUDY IAEA/IRAN PLAN OF ACTION

REF: STATE 123352

Classified By: Minister Counselor for Economic and Political Affairs
William R. Stewart for reasons 1.4(b) and (d).

(C) During a meeting on September 6 with Deputy Assistant Minister for Multilateral Affairs Ambassador Amer el Atta, Poloff and Minister Counselor for Economic and Political Affairs shared USG concerns over the IAEA/Iran Plan of Action and urged Egypt to study closely the plan and express its concerns during the upcoming IAEA meetings. Poloff highlighted the fact that the plan would not bring Iran into compliance with UNSC resolutions 1737 and 1747, and reviewed the sequencing, modalities, and omissions problems described in the non-paper. Ambassador el Atta said that he was not familiar with the issue, but would study it closely and contact us with follow up questions. He acknowledged that some European countries had expressed similar concerns through their representatives in Vienna.
